(2), by first class mail to the owners from whom the certified mail return receipt was not signed and returned. If both notices are returned due to incorrect or insufficient addresses, the county auditor shall research the county auditor records to determine a more complete or accurate address. If a more complete or accurate address is found, the county auditor shall resend the notices to the address that is found in accordance with this section. Failure to obtain a more complete or accurate address does not invalidate an otherwise valid sale. The county auditor shall prepare the notice in the form prescribed by the state board of accounts. The notice must set forth the key number, if any, of the real property and a street address, if any, or other common description of the property other than a legal description. The notice must include the statement set forth in section 2(a)(4) of this chapter. The county auditor must present proof of this mailing to the court along with the application for judgment and order for sale. Failure by an owner to receive or accept the notice required by this section does not affect the validity of the judgment and order. The notice required under this section is considered sufficient if the notice is mailed to the address **or addresses** required by this section.

(b) In addition to the notice required under subsection (a) for real property on the list prepared under section 1(a)(2) or 1.5(d) of this chapter, the county auditor shall prepare and mail the notice required under section 2.2 of this chapter no later than ~~August 15 in the year in which the property is to be sold under this chapter.~~ **forty-five (45) days after the county auditor receives the certified list from the county treasurer under section 1(a) of this chapter.**
